Last week we were touched to receive this email from the Imam at the local mosque:
"We were deeply saddened to hear about the recent terrorist attacks in Sri Lanka. Our thoughts and prayers are with the victims and their families, the people of Sri Lanka and our Christian brothers and sisters around the world. We wanted to echo the words of the past few days when we stress that terrorists speak for no one but themselves, and the bonds of brotherhood between our two faiths cannot be broken by these cowardly acts.
Kind Regards Imam Safwaan Hussein"
